<p>Objective</p>	<p>With a passion for the spoken and written word, speaking and writing are not just things I do. Rather, they are a part of who I am. With Provincial Colours for both Debating and Public Speaking, I was the youngest selected to represent the Gauteng team in 2001 and spent my University years adjudicating various competitions and coaching at Jeppe High School for Girls.</p> <p>Although my choice of degree is different to that which I have a passion for, this decision has allowed me to grow in an area which many artists are not fortunate enough to grow in, or which they grow in far later on in life.</p> <p>My desire to grow in this area reaches beyond being a face on television or merely another voice. Instead, my very driving force is God and the stirring of the gift He has given me.</p> <p>It is the desire to be a part of the voices and the faces who make a difference that spurs me on! The desire to eventually give a voice to those that have a message or a story to tell! To become the face that not only speaks the words provided by the script-writer, but to be the face that brings the very essence of the program I represent to life: and with every attempt, to give voice to or represent the aforementioned in excellence and with style & elegance.</p>
